MATHEMATICS

YEAR 4

Fractions on a Number Line

Mark and identify fractions between 0 and 1.

Name _____ **Date** _____

How to work: Each number line goes from 0 to 1. Look carefully at how many equal parts it is divided into.

Mark and label

1 **Halves.** Draw a tick at 1/2 and write 1/2 below it.

2 **Thirds.** Write 1/3 and 2/3 below the two inside ticks.

3 **Tenths.** Circle the tick at 4/10 and draw an arrow to 9/10.

Read the number line

4 **Quarters.** Write the fraction shown by each letter.

A: _____ B: _____ C: _____

5 **Thirds.** Write the fraction shown by each letter.

A: _____ B: _____

6 **Tenths.** Write the fraction shown by point P.

P: _____

Challenge: Which is nearer to 1: 7/10 or 9/10? Explain how you know.

_____

Keep your fractions neat and your number lines accurate.
