Story Sequencing and Paragraph Writing

Name: _____ Date: _____

1 Put the events in order

Write 1–4 in the circles to show what happened first, next, then and last.

◯ Without warning, the kite string caught on a low branch.

◯ Leo and Ava packed their red kite and walked to a windy hill.

◯ Leo carefully loosened the string, and the kite floated free.

◯ The kite soared above them as the breeze tugged at its string.

2 Write your story

Use the events in order. Add details to make the story your own.

BEGINNING Who is there? Where are they?

MIDDLE What happens to the kite?

ENDING How is the problem solved?

Before you finish: ☐ My events are in order ☐ I used capital letters ☐ I used full stops
