Decimal Money Amounts

Recognising and writing pounds and pence

Name _____ **Date** _____

£ Money can be written using pounds and pence, for example **£0.50** or **£0.75**.

1 Count the coins

Add the coins in each box. Write the total as a money amount.

a

50p 20p 5p

Amount: £ _____

b

20p 20p 10p

Amount: £ _____

c

10p 10p 5p 2p

Amount: £ _____

d

£1 20p 5p

Amount: £ _____

2 Write each amount in decimal notation

Use the £ sign and write two digits for the pence.

a 45p

£ _____

b 90p

£ _____

c 1 pound and 7 pence

£ _____

d 2 pounds and 30 pence

£ _____

3 Choose the matching amount

Read the words. Circle the decimal amount that matches.

a	Seventy pence	**£0.70**	**£0.07**	**£7.00**
b	One pound and eight pence	**£1.80**	**£1.08**	**£0.18**
c	Two pounds and forty-five pence	**£2.45**	**£2.54**	**£0.45**

☐ I checked that my pence have two digits.
