YEAR 5 · MATHS

DECIMALS

Adding and Subtracting Decimals

Column addition and subtraction with tenths and hundredths

Name _____ **Date** _____

YOUR TASK Work in columns. Line up the decimal points, use the working space, then write each answer on the equals line.

A Add

QUESTIONS 1–4

1 COLUMN CALCULATION

```
   3.46
+  2.8
=  ____.____
```

WORKING

2 COLUMN CALCULATION

```
  14.25
+  3.37
=  ____.____
```

WORKING

3 COLUMN CALCULATION

```
   6.7
+  1.28
=  ____.____
```

WORKING

4 COLUMN CALCULATION

```
  23.54
+  1.23
=  ____.____
```

WORKING

B Subtract

QUESTIONS 5–8

5 COLUMN CALCULATION

```
   8.63
−  2.4
=  ____.____
```

WORKING

6 COLUMN CALCULATION

```
  15.00
−  7.26
=  ____.____
```

WORKING

7 COLUMN CALCULATION

```
   9.2
−  3.58
=  ____.____
```

WORKING

8 COLUMN CALCULATION

```
  20.45
−  8.7
=  ____.____
```

WORKING
