YEAR 5 · MATHEMATICS

Times Tables Practice 6 to 12

Build speed and confidence with your multiplication facts.

Name _____ **Date** _____

1 Complete the multiplication grids

Multiply the number at the start of each row by the number at the top of each column.

Grid A — 6 to 9 times tables

×	6	7	8	9
6				
7				
8				
9				

Grid B — 9 to 12 times tables

×	9	10	11	12
9				
10				
11				
12				

2 Mixed times tables

Work out each answer. For questions with a missing factor, fill in the blank.

1. 7 × 8 = _____
2. 12 × 6 = _____
3. 9 × _____ = 81
4. _____ × 11 = 77
5. 8 × 12 = _____
6. 6 × 9 = _____
7. 10 × 7 = _____
8. 12 × 12 = _____
9. _____ × 8 = 56
10. 11 × 9 = _____
11. 6 × _____ = 72
12. 10 × 11 = _____

CHALLENGE

Write two different multiplication facts from the grids that have the same product.

_____

_____

Check your work when you have finished.

Keep practising!
