MATHS • YEAR 2

Number Line Subtraction

Use the number line to picture each subtraction and find the number you land on.

Name: _____ **Date:** _____

← **Start at the first number.** Draw a hop back for each one you take away, then write the number you land on.

1 **14 − 5 = ____** Show your hops

2 **18 − 7 = ____** Show your hops

3 **12 − 4 = ____** Show your hops

4 **20 − 8 = ____** Show your hops

5 **16 − 9 = ____** Show your hops

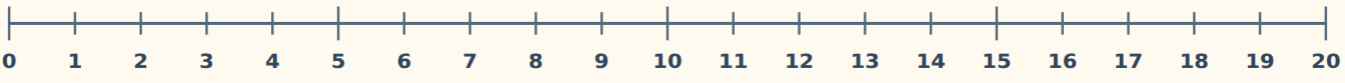

6 **13 − 6 = ____** Show your hops

EXTRA CHALLENGE Choose a number between 10 and 20. Subtract 3 and show your hops.

____ − 3 = ____

One hop back = one less
