÷ MATHS · YEAR 2

Sharing Objects Equally

Draw, share equally and complete each division sentence.

Name: _____ **Date:** _____

✎ Share equally. Draw the objects into the empty containers, then complete the division sentence.

1 APPLES

Share 12 apples equally between 2 plates.

OBJECTS TO SHARE

Draw the apples on the plates.

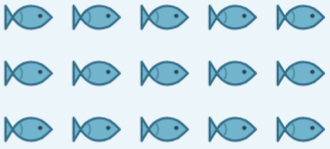

12 ÷ 2 = ☐ apples on each plate

2 FISH

Share 15 fish equally between 5 ponds.

OBJECTS TO SHARE

Draw the fish in the ponds.

15 ÷ 5 = ☐ fish in each pond

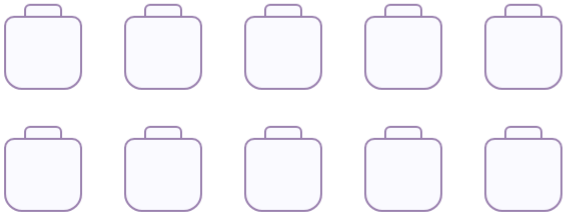

3 STARS

Share 20 stars equally between 10 jars.

OBJECTS TO SHARE

Draw the stars in the jars.

20 ÷ 10 = ☐ stars in each jar

4 SHELLS

Share 10 shells equally between 5 buckets.

OBJECTS TO SHARE

Draw the shells in the buckets.

10 ÷ 5 = ☐ shells in each bucket

☐ I checked that every group has the same number of objects.
